

2018-19 COURSE REGISTRATION FOR RISING 10TH-12TH GRADERS EUGENE ASHLEY HIGH SCHOOL

Welcome to course registration for 2018-2019! The following dates, resources, and information are to help you through the process, and everything will also be on the Ashley website, including this document.

March 12th - All students received registration materials in homeroom after 1st block. You, the parent/guardian, should review the core class recommendations indicated on the front and decide on electives with your child. Your child will need to select enough electives to create a combined total of 8 courses (core classes + electives) and 2 alternates. We highly encourage using a pencil!

Please consider the core recommendations carefully. While we have taken a significant amount of time determining what we feel is the best placement for your child, parents/guardians have the final decision with regards to selection of on-level, Honors, or Advanced Placement (AP). There is a brief advisement document on our website to help you discuss your child's options ([Should I Take an Honors or AP Course?](#)). If you would like to change a core class level, please complete a Course Override Request found on the AHS webpage or in Student Services.

March 13th & 14th – Counselors will be available to meet with parents for course advisement from 9:00 am – 7:00 pm in Student Services. If arriving during the school day parents should first check in at the Main Office. There is no need to make an appointment, though there could be a short wait depending on volume.

March 15th - Students need to return completed, signed forms to their 2nd block teacher by this date.

March 19th – May 4th - Counselors will meet with every 2nd block class in order to assist those who lose or forget to turn in their forms and also to answer any remaining questions students may have. The schedule is on the reverse; if we happen to miss your child, we will make every attempt to meet with him or her on another day. Once we have met with all 2nd block classes, you will receive a print-out of your child's requests with instructions regarding further changes.

Resources on our website to help make course selection decisions (<http://www.nhcs.net/ashley/students.html>):
