

Early Release/Late Arrival Request

Colleges and scholarship programs *do not recommend* students take less than a full course load each semester of high school. Therefore it is not our recommendation either. However, early release or late arrival are privileges that may be granted to seniors who are within 7 credits of graduating. All signatures are required. By signing below, the parent and student are requesting to have early release or late arrival with the understanding that:

- It will only be granted if the student is within 7 credits of graduating.
- Student athletes must be enrolled in 3 full classes to meet NCHSAA eligibility requirements (2 semester + 1 yearlong = 2.5 classes = not eligible to compete).
- Early release may compromise the student's competitiveness when applying to colleges and scholarships.
- The student must leave campus once released.

I am requesting:

Late Arrival

____ Fall ____ Spring

Early Release

____ Fall ____ Spring

Student Name: _____ Student Signature: _____

Parent Signature: _____ Date: _____

Counselor Approval: _____ Date: _____
