Our Goals for Student Achievement

Murrayville Elementary School Goals

MES School Improvement Team sets the goals in our School Improvement Plan. The school goals are:

- Increase the percentage of Murrayville students performing at the required proficiency levels in ELA, Math, and Science.
- All Murrayville students in all subgroups will meet or exceed growth in ELA, Math, and Science.

Murrayville's Instructional Improvement Plan focuses on four areas:

- Community Building
- Content Planning
- Instruction
- Assessment for Learning

For further information regarding our current School Improvement Plan, go to www.nhcs.net/mville.

All School Improvement Team Meetings are open to all parents. These meetings will be announced in newsletters, Remind messages, and Connect 5 calls.

Teachers, Parents, Students – Together for Success

In The Classroom

- We will send a grade level weekly newsletter highlighting Common Core standards being covered, important dates, and key school information.
- We will send daily behavior logs to communicate student conduct to parents.
- We will send home weekly homework packets for review and practice of Common Core standards.
- We will provide a second grade website with helpful links and resources aligned with the Common Core and North Carolina Essential Standards.
- We will hold data conferences and set goals with individual students.
- We will provide enrichment and differentiation opportunities to meet the needs of our students.

At Home

- Read the weekly newsletter
- Read with your child nightly and discuss and ask questions about the text
- Check over your child's weekly homework packets for accuracy and precision
- Help your child practice addition and subtraction math facts for fluency and accuracy
- Review reading and spelling core words weekly with your child
- Make sure your child has a good night sleep and is prepared for the following school day
- Make sure your child is on time for school, prepared and ready to learn
- Be an active participant in your child's education
- Support school-wide expectations and celebrate your child's successes

Students

Students will be expected to follow the four school wide expectations at all times.

Respectful	Responsible	Safe	Kind
<p>*Students will respect themselves, peers and staff at all times.</p> <p>*Students will respect belongings of their own, peers, teacher and school.</p>	<p>*Students will turn in completed homework and class assignments on time.</p> <p>*Students will ask for help when needed.</p> <p>*Students will practice math facts, reading, and writing core words.</p> <p>*Students will relay parent information to the teacher (correspondence).</p>	<p>*Students will keep all body parts to themselves.</p> <p>*Students will walk in the school building at all times.</p> <p>*Students will adhere to all emergency procedures.</p> <p>*Students will follow all playground safety rules.</p> <p>*Students will follow science safety rules.</p>	<p>*Students will treat others how they want to be treated at all times.</p>

What is a Family-School Compact?

A Family-School Compact for achievement is an agreement that parents, students, and teachers will honor for the success of their student. It explains how parents and teachers will work together to make sure all our students reach and exceed grade-level standards.

Effective Compacts:

- **Link** to the goals of the School Improvement Plan
- **Follow** the NC Standard Course of Study
- **Focus** on student learning skills
- **Share** strategies parents can use at home
- **Explain** how teachers and parents will communicate
- **Describe** opportunities for parents to participate

Family & School Together

This Family-School Compact for Achievement was created to support our students, their families, and our school community. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings will be held each year to review the compact and make changes based on student needs.

Parents are welcome to contribute comments at any time.

If you would like to volunteer, participate, and/or observe in the classroom, please contact the office at 910-790-5067, ext. 800.
