

Families Making the Connection

Put Your Best Fork Forward

Did you know eating healthy can be delicious and nutritious? National Nutrition Month® is around the corner in March. The 2017 theme, "Put Your Best Fork Forward," reminds us that each one of us holds the tool to make healthier food choices. Making small changes during National Nutrition Month® and over time, helps improve health now and into the future.

Each March the Academy of Nutrition and Dietetics celebrates National Nutrition Month. This annual event reinforces the importance of developing sound eating and physical activity habits. Start planning now to celebrate with your family, at your child's school, and in the community:

- Ask your governor or mayor to proclaim March as National Nutrition Month (NNM).
- Work with a registered dietitian, chef and/or farmer to host a community nutrition event.
- Partner with a local grocery store or farmers market to promote National Nutrition Month.
- Ask your school or community library to host a nutrition themed story time or display.
- Promote NNM at school with posters, stickers, PA announcements, a recipe contest and educational activities.
- Volunteer at a community garden or food bank. Host a food drive.
