4/25/2018	Richard Kukor 910-362-7882	Southeast Area Technical High School	<b>DNA Day-</b> North Carolina DNA Day is an annual event where scientists from NC's leading research universities and institutions visit over 100 high schools statewide to present interactive, hands-on lessons about genetics, genomics, and biotechnology, which reinforce the NC Standard Course of Study. In addition, scientist ambassadors discuss their own ongoing research with students and share exciting career opportunities in science and biotechnology. NC DNA Day provides an opportunity for over 7,000 high school students to meet and interact with a young scientist, which often clarifies misconceptions of what a scientist looks like and breaks down barriers for students to follow scientific career paths. Scientists share their passion for science with students, fostering a spirit of public engagement leading to continued participation in science outreach throughout their careers	Room 331 McKeithan Building SEA-Tech 4500 Blue Clay Rd.	10:00a.m.- 3:00p.m.
4/26/2018	Christina Daniels 910-251-6190	Forest Hills Global Elementary School	<b>Kindergarten Orientation-</b> The school invites upcoming kindergarten families to take a tour with staff and student leaders, followed by cookies and juice in the cafeteria.
