

# BOARD GOALS FOR

## *Superintendent Foust*

☒ Conduct Climate Surveys (such as Teacher Working Conditions) that includes all employees and incorporate findings into the Strategic Plan.

☐ Create a school system (and not a “system of schools”) in which shared vision, and equitable practices are the norm.

### High Academic Standards

☐ Implements processes for learning while adjusting for the social and emotional trauma. Provide resources and strategies for those student populations.

☒ Partner with the Wilmington Chamber of Commerce to focus on high standards and make those standards mean something to students who are graduating.

☐ Adequately fund ALL school libraries.

☒ Reduce suspensions across the district proportionately to the student enrollment.

☒ Create a process for using student assessment/test data and formative data from other sources to improve instruction and student growth.

☒ Get devices into the hands of quarantined students the day they leave school.

☐ Create strategies that assure honors, AP, and college course enrollment reflects the student population.

☒ Develop and enhance partnerships with local workforce providers that allow for relevant and real-world experiences for students.
