

**REQUEST FOR QUALIFICATIONS  
ARCHITECTURAL AND ENGINEERING DESIGN SERVICES  
RFQ 14-9**

New Hanover County Schools, located in Wilmington, North Carolina, is seeking to collaborate with innovative and visionary architectural and engineering firms in the design of two new elementary schools and the renovation of one existing school. Design teams will participate with the District in reimagining the elementary school of the future to serve the rapidly evolving needs of 21<sup>st</sup> century educators and students, with an emphasis on the use of renewable energy sources. Design services will include site studies, program development, costs estimating, scheduling, design, bid and construction administration, as well as comprehensive existing conditions evaluation of the building to be renovated. Interested firms may obtain a Project Announcement and instructions for responding at the following web address: <https://www.nhcs.net/divisions/operations/facility-planning-and-construction/bid-information> . The Response Forms along with the required documentation of qualifications, and experience must be received by 5:00 p.m. on Friday, April 9, 2021.
